2. While uploading documents (Assessment Tool, Picture, Signature Form, Choice Form) you are limited to the following extensions: .png, .doc, .pdf, .txt, .jpg, .tif, .gif
3. While entering the Service Plan Primary Provider is now a required field
4. On the Manage Facility Page a Faith Based optional checkbox has been added
5. On the Track Contact page a Reason For Contact required dropdown box has been added
6. The Client Locator Form can now be edited from the Service and Recovery Coach tab as long as you are named the Primary Provider or Recovery Coach organization.
7. The Treatment Landing page is now display the correct time instead of 12:00
8. Fiscal Approval Page the following fields have been added: % Reimburse, Cost (this is editable), service provider, unit type, service minutes, minimum payable minutes
9. A Follow-Up GPRA link has been added to the Administration module for the state only. The reason for this is because the state can be named as the Follow-up GPRA incase it does not get done by the PP or RC.
10. Description has been added to the Fiscal Approval page.
